

Date: July 26, 2016

Soil Vapour Guarantee

Until September 30th, CARO guarantees that our instrumentation will not delay test results. If this happens, we will test all correlating client project's vapour samples for FREE.

Terms and Conditions:

- Guarantee valid until **September 30, 2016**
- Samples must be taken according to CARO's vapour sampling protocols
- Overloaded TD tubes do not qualify for this guarantee
- Non-CARO TD tubes do not qualify for this guarantee
- Available TAT is based on laboratory capacity and is therefore not guaranteed

Terms and conditions are subject to change without notice.

Complete peace of mind – guaranteed!
